Dave and Donna Beveridge, owners of New Technology Learning Concepts have written a grant to Pepsi Refresh to start an environmental program for kids here in the Big Bear Valley. This program lets kids participate in projects they choose and manage with the grant providing materials, incentives, t-shirts and fun. To win this grant, the project must receive among the highest 10 votes in its category. You can vote by email, Facebook or Twitter. Please vote now, vote every day and get your friends and everyone you know to vote.
